

A COMMUNITY EVENT ORGANISED BY ALFORD PRIMARY PARENT COUNCIL IN COLLABORATION WITH ALFORD HERITAGE MUSEUM

We imagined that many Alford Primary families would appreciate a clear out and an outdoor event so how about emailing us at peteryoung255@btinternet.com to sell at this car boot event or pop along on the day and see if you can find a bargain or something you need?

We have limitations!!!!

We can only plan for a finite number of cars so we would encourage you to double up or offer to sell for others from your car?
We have planned this event with current covid-19 measures in mind but we will take a view on varying measures if required nearer the event date
Each space for your car and sales area is 3m x 7m
